DR21 02 – TEST RULE FOR UMPIRED RADIO SAILING

This test rule applies only when the sailing instructions so state for races sailed under the Racing Rules of Sailing (RRS) including Appendix E, and when umpires are appointed in accordance with RRS 89.2(c). No part of the text is to be changed.

When this test rule applies, the Call Book for Radio Sailing also applies.

For fleets of between 15 to 20 boats it is recommended that 4 umpires are appointed. This number may be varied for larger or smaller fleets.

In order to continue the development of this test rule, a report on its use must be sent to World Sailing promptly after each event to rules@sailing.org.

This rule has been authorised by World Sailing in accordance with regulation 28.1.5(b).
